

IMPROVING THE
SUSTAINABILITY OF GRAPE
AND WINE PRODUCTION AT
THE PRIORAT REGION

EFFICIENT USE OF RESOURCES TO IMPROVE SUSTAINABLE WINEMAKING IN THE
REGION OF PRIORAT
LIFE PRIORAT+MONTSANT | LIFE15 ENV/ES/000399

PRESENTATION

We present the first LIFE PRIORAT + MONTSANT Newsletter. The project LIFE + MONTSANT Priorat is funded by the European Commission through the Life Program, designed to support demonstration projects that contribute to sustainable development and compliance with the environmental policies of the EU and its Member States. Through this Newsletter, our intention is to keep you up to date of the evolution of the project, involving you in everything that happens around LIFE PRIORAT + MONTSANT from the beginning to 2020. In order to do it, we will publish two annual Newsletters, together with our website www.lifeprioratmontsant.eu we will share with you how they develop each share of LIFE PRIORAT + MONTSANT.

Welcome,

OUR TECHNICAL ADVANCES

59 WINERIES INVOLVED IN THE PROJECT

For the technical development of the project, LIFE PRIORAT + MONTSANT has managed to involve, to date, a total of 59 wineries of the 170 in the region, a figure that represents a 35% participation.

EVENTS AND NETWORKING

23/01/17

Launch reunion of the project

On 23 January 2017 the first meeting of the project partnership took place in VITEC's headquarters (Wine Technological Center) in Falset. During a day, the members of the partnership met to lay the foundation work and program

activities and the work plan to be developed during 2017.

12/12/16

Information meeting with Denominació d'Origen Qualificada Priorat to their wineries and winemakers

Denominació d'Origen Qualificada Priorat and VITEC (Wine Technology Center) met on 12 December 2016 in la Vinícola del Priorat (Gratallops) in order to present and to inform the vine-growers and wineries of this appellation of origin, the LIFE PRIORAT + MONTSANT project.

Thanks to the message conveyed during the day and the service which will be offered to their wineries and winemakers, many participants decided to sign up to participate in the project, considered of great importance for Priorat region as a sustainable vineyard model.

23/11/16

Information meeting with Denominació d'Origen Montsant to their wineries and winemakers

Denominació d'Origen Montsant met along VITEC (Wine Technology Center) on 23 November 2016 in Consell Comarcal del Priorat (Priorat County Council) with the aim of presenting and disseminating the project LIFE PRIORAT + MONTSANT to their wineries and vine-growers.

On the occasion of this conference presentation, and given the importance of the project for the Priorat region as a sustainable wine model and the interest aroused, many wineries which attended the meeting decided to participate in the project.

DISSEMINATION

LIFE PRIORAT +MONT SANT WEB

In April 2017 we launched the project website LIFE PRIORAT + MONT SANT, in order both to spread its activities as well as the project progress. The website details the entire structure, planning, news and events that will take place during the life of the project.
